

**Recreation Outdoor Coalition
400 Beacon Drive
Anderson, California 96007**

**ROC Proposed Volunteer Projects on the Lassen National Forest
May 2008**

ROC would be pleased to discuss the projects listed below and other volunteer needs LNF SO and District staff have.

Share the Dream Trail final nomination and sign installation

Lassen Backcountry Discovery Trail sign installation

Lassen Backcountry Discovery Trail interpretive driving guide

Heritage Site Stewardship Program

Volcanic Legacy Scenic Byway interpretive guide

Restoration of Turner Mountain Lookout as a warming hut and possible rental

Restoration of Silver Lake Cabin as a year-round rental

Miscellaneous SO and District office work related to recreation and OHV management including NEPA and engineering analyses

Motorized trail and campsite maintenance or restoration

Non-motorized trail maintenance or restoration

Trail and road GPSing and condition inventories

OHV rangers and backcountry camp hosts

Visitor contacts and Tread Lightly education
